**Riesling with 10 years of age...or more!\***

Back in 2014 at Castagna (our now shuttered sister restaurant) I got obsessed with the idea of an aged Riesling list - a list where every wine had at least 10 years of age. One problem...we had no aged Riesling in the cellars. So I started hoarding. And hoarding. And hoarding.

Well, gradually, then suddenly, 10 years passed by and it's now finally time to offer some of our treasures.

This list is a starting point. Every year it will be refreshed with a batch of perfectly aged, 10 year old wine from our cellars. Thank you to all the wine lovers who supported us over the last decade - this list is a small gift to you. We wouldn't be here without you.
