

## **Oregon vs France (white burgundy) Blind Chardonnay Flight Two wines for \$30**

This is a doozy tonight. We're pouring 2 epic wines side by side and letting you guess your favorite. The white burgundy is incredibly rare and we only get 2 bottles a year. It's the kind of wine you usually only get to taste by spending \$250 a bottle. Don't miss this chance to taste these wines!

## **White**
