

## Summer of Riesling! yes, it's still summer :)

For reasons unbeknownst to me, both Emrich Schonleber and AJ Adam fall a bit under the radar in America. Which is silly, because the wines they make are incredible. Taste them, find love and hoard what you can while you can!

**Juicy Dry Riesling** that tastes like ranch water steeped with sliced limes, green apples and steel beams. **Pair with Oysters!**  
emrich schonleber 'estate' trocken, nahe, germany 2022 riesling 16

**MIND MELTINGLY DELICIOUS Dryish Riesling** that tastes like biting into a perfectly ripe Oregon peach but instead of peach juice running down your arm, it's liquid gold. This is so good it hurts. It's not sweet, but has the sweetness of a perfectly balanced pineapple margarita.  
**Pair with Albacore!**

## Legends of French Natural Wine

**7 Year Old, Totally Singular French Chardonnay** from the natural wine superstars, the Bret Brothers. This wine has a dense core of minerality that saturates the palate, but then finishes like toasted pine nuts and hazelnuts. What a crazy wine! **OMG Pair with Black Cod!**  
soufrandiere, pouilly vinzelles, macon, france 2016 chardonnay (4oz) 19

**Chilled Jura Red from One of France's Most Important Natural Winemakers.** Jean Francois Ganevat is a hero to the natural wine world. His wines are insanely complex, spicy, fresh and energetic. We've only got 3 bottles to share, so don't miss your chance to taste these! **Pair with Crispy Duck Leg.**

## WINES on the wild side

**The best NON ALCOHOLIC sparkling wine-ish thing we've ever tasted.** Made by a team who worked at the Noma fermentation lab, this is bonkers good. It's made with fermented gooseberries, quince kefir, jasmine tea and woodruff & geranium kvass.

**Lemony Italian Sparkling Pet Nat** from young winemaker who is obsessed with the humble garganega grape. After tasting these bubbles, you'll see why.  
david vignato 'primo incontro' veneto, italy 2021 garganega 14

**Refreshing Italian White** from Soave! Soave was the most consumed Italian wine in American in the 1970's, but it has slipped into obscurity since. What a shame. Salty herbs, candied kumquat, volcanic soil sunrise. **Drink with Chicken Torito Salad.**  
filippo filippi 'castelcerino' soave, italy 2020 garganega 14

**Chilled Spritzy Local Natural Red** that tastes like using a red currant bush as a bathing suit while surfing on a horse in an ocean of hibiscus iced tea. **Pair with chugging on the patio.**  
post familiar + cutter, columbia gorge 2022 tempranillo/riesling 13

**Medium Bodied, Juicy French Red** that tastes like the time in middle school when you took all the ripest blackberry bushes you could find and squeezed all the juice out to fill a bathtub and soaked yourself until your body was stained purple. You wished it could stay that way forever. **Pair with Crispy Duck Leg.**  
calmette 'serpent a plumes' cahors, france 2021 malbec blend 17

**Ask about glass pour specials!**  
**We always got secret stuff open :)**

## WINES of a more classic disposition

**Oregon Sparkling Rosé** that is kinda just perfect. There is a scene in Pretty Woman with strawberries and Champagne, and this wine is basically that scene in a glass. **Pair with Warm Beignets!**
